The Animal Rescue and Adoption Society is *CATDVD.com Cares Award* Recipient

In the hustle and bustle of today's world, it's nice to see someone taking the time to care for the safety and welfare of one of America's most vulnerable populations—our pets.

That's why the makers of CATDVD have created the CATDVD.com Cares award, which designates a portion of the proceeds of the sales of CATDVD to a worthy cause. The award is designed to recognize individuals and organizations whose service and efforts benefit the welfare and well-being of our beloved pets.

It's a privilege for CATDVD to recognize The Animal Rescue and Adoption Society with our CATDVD.com Cares Award. The Animal Rescue and Adoption Society is a no-kill, cage-free, 501(c)(3) non-profit cat shelter dedicated to preventing cruelty to animals and to providing a safe shelter and a second chance for homeless cats and kittens in Denver, Colorado.

Through outreach programs and community referrals, ARAS seeks to educate the public by providing current information regarding other rescue organizations and services when ARAS is unable to accommodate the animal in need.

The CATDVD.com CARES Award program is our way of recognizing those who are making a positive difference in the lives of our furry friends. There are countless organizations like The Animal Rescue and Adoption Society that deserve recognition for their efforts.

The Animal Rescue and Adoption Society houses over 150 cats and is supported entirely by donations from the community and fundraising events. Because ARAS is a small non-profit shelter, they rely on volunteers to help out with the tasks at the shelter and other events that help support them.

CATDVD is proud to honor The Animal Rescue and Adoption Society as a CatDVD.com Cares Award winner. The award includes a small financial contribution to the shelter and a plaque recognizing organization and its volunteers for their efforts.
